My lady, how would you like to own and manipulate one of those wonderful vacuum cleaners? They remove all dirt without effort. Then an electric iron. Think of it! Ah! an electric toaster. Everything in Electric Utensils for the household.

COUNT THE MEN WHO COUNT

Count the men who count in your city or any other and you will find the same answer, the Developers, the men who are destined to accomplish things. The man, who has to admit that he is not a property owner, has never been, and does not expect to be, interested that the stuff that makes a man was left out of his makeup, or ever will, will be given the opportunity to do as well as now. We have lots ranging from \$5,000 up. Good terms in everything. Some bargains in Boxes and Lots. Ask PREWITT & PENDER, these lots and more than from now on in the time; there's nothing you want; if we haven't got it, we will get it for you.

Mrs. Margaret Barnes, formerly of Columbus, but now residing in Memphis, Tennessee, is in the city for a few days looking after her vanity.

Mr. and Mrs. H. J. Deacon arrived in town last week and returned Tuesday evening. They report a pleasant trip but think Germany far preferable to France.

Kid Pace of El Paso wants to meet some featherweights in the Southwest. The Kid stopped Elmer Smith in the fifth round and finished Rodgers in the sixth at Columbus.—Douglas International.

Jewell, Indiana, native, will visit El Paso Friday. He already has visited the Pace Del Norte for instructions and the checks will welcome him with open arms. When last seen he hadn't fully decided whether he will have a special train or not.

A. C. Reynard, county agent, and his wife were in Columbus yesterday in the interests of the inter-state movement. They were both enthusiastic over the prospects at Deming, but were more or less dubious over prospects here on account of the lack of organization.
